The annual meeting of veteran athletes of the „U” Cluj Club (25)

From the very beginning, we mention that the last meeting, the 24th, took place on 1 September 2018. This discontinuation was due to objective reasons: on 28 September 2019, the *Centenary Gala* of the University Cluj Club was held, an event reported by us in the new title journal *Health, Sports & Rehabilitation Medicine*; and September 2020 was already marked by the interdictions due to the COVID-19 pandemic.

In this year's meeting, 14 veterans participated. The main objective of the discussions was related to the restoration of the monument, until the meeting of 3 September 2022, when inauguration is scheduled. The project, the company that will execute the work and, most importantly, the provision of the necessary budget were discussed.
